

## Welcome!

One of the best things about building and designing the Check-Out platform is the ability to help people create plans for end-of-life events that give both guidance and support to their families when its needed most. We love to hear your stories... Please send them to [Contact@CheckOutPlan.com](mailto:Contact@CheckOutPlan.com) and we'll share them with your permission. With winter yet in full swing, we thought it would be a good opportunity to share the latest happenings from the world of Check-Out. So, let's dive right in!

### Check-Out on YouTube!

We are happy to announce the launch of the Check-Out Channel. We now have a home for our tutorials, ads, and commercials. We're regularly adding videos so please visit [YouTube](https://www.youtube.com), search for [Check-Out Planning Services](https://www.youtube.com/watch?v=Check-Out Planning Services) and subscribe for our latest and greatest videos today!

### Welcoming Guest Authors!

The team at Check-Out write lots of articles to support and entertain our users. Now, we are inviting authors to share relevant stories with our readers. If you know someone, or this might be you, please send stories to [Contact@CheckOutPlan.com](mailto:Contact@CheckOutPlan.com)

### The Legacy of Recipes

How great would it be for your favorite recipes to live on long after you're gone? Well, now it can! Welcome "Your Recipes" which is now available in Check-Out's Making Memories section. Upload photos, provide the perfect wine pairing and more!

### Our Most Popular Article

**How to Leave a Lasting Legacy** is an article with thoughtful tips on how to best share the wealth of a life well lived. Whether we make the choice or not, we're all leaving some type of legacy behind. You don't have to be "rich" to leave behind a great legacy that positively impacts the lives of others. Sometimes the simplest gestures can make all the difference in the world. Visit: [checkoutplan.com/how-to-leave-a-lasting-legacy/](https://www.checkoutplan.com/how-to-leave-a-lasting-legacy/) to discover how...

### What's Up Next? Pets!

Did you know that its easy to make a plan for your pets future in Check-Out? As our population ages, more than 6 million pets end up in shelters every year. Many never leave. Many of those pets arrive at shelters because, when their owners pass, no plan for pet care has been implemented. We can change that. Add your pets in the Taking Stock section. Your pets *and* your family will thank you!
